Meteorologist's View

A fine day with some good spells of sunshine, once early morning conditions clears. It will be feeling chilly on the tops though, especially in the fresh breeze.

Forecast for Thursday 10 Sep 2020

Weather: Dry with clear skies overnight. Turning cold under the clear skies with a chance of ground frost in sheltered valleys and a risk of a few mist or fog patches in the valleys too. Fine conditions expected on the hills through Thursday with plenty of bright or sunny spells. Perhaps a turning little cloudier in the evening.

Maximum wind: Westerly 5-10mph becoming Southwesterly 10-20mph through the day.

Chance of cloud free mountain/hill tops above 800m: Near 100% with any fair weather cloud about the tops.

Visibility: Generally excellent, with wide ranging views of far distant hills.

Temperature: **Valleys:** Plus 2 Celsius, becoming plus 16 Celsius.
At 800m: Plus 7 Celsius.
Freezing level: Above the tops.
